## **POSITIVE PROFIT ALERT**

This announcement is made by Flat Glass Group Co., Ltd. (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company hereby informs the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the preliminary review of the unaudited consolidated management accounts of the Group for the year ending 31 December 2020 and the information currently available to the Board, it is expected that (i) the net profit attributable to Shareholders for the year ending 31 December 2020 will range from RMB1,500 million to RMB1,660 million, representing an increase in the range of RMB783 million to RMB943 million (or an increase in the range of 109.20% to 131.52%) as compared to the same period in 2019; and (ii) the net profit attributable to Shareholders (excluding non-recurring items) will range from RMB1,475 million to RMB1,635 million, representing an increase in the range of RMB787 million to RMB947 million (or an increase in the range of 114.39% to 137.65%) as compared to the same period in 2019.

The expected substantial increase in net profit is mainly attributed to the increase in sales volume and selling price of photovoltaic glass, the key product of the Group, which was primarily led by the strong demand for the photovoltaic industry and decline of price of main raw material and energy sources.

As at the date of this announcement, the consolidated results of the Group for the year ending 31 December 2020 have yet to be finalized. The information contained in this announcement is only based on the Board’s preliminary assessment with reference to the unaudited consolidated management accounts of the Group for the year ending 31 December 2020 and the information currently available to the Board. Such information has not been reviewed by the auditor of the Company. Pursuant to the Listing Rules, further details of the Group’s performance will be disclosed in the Company’s annual results announcement for the year ending 31 December 2020, which is expected to be published before 31 March 2021.
